

- **ASSET IMPACT:** is a competitive response to critical shortcomings and untapped opportunities prevalent within both the asset recovery and demolition industries. We are a nationally recognized leader for asset liquidation and recovery services for regional, national and multinational commercial and industrial organizations. Our premier demolition services provide for both large-scale and selective demolition include commercial and industrial wrecking and dismantling, with particular attention to major industrial facilities.

Asset Impact is committed to providing peace-of-mind to distressed or divesting operators through high yielding strategic asset recovery systems while often utilizing our demolition, removal and property remediation services at exceptional value, in part due to our same, proprietary cost recovery methods. The Company website is www.assetimpact.com. Our blog www.assetimpact.com/blog addresses and provides revealing insight into what fuels our creative solutions.

- **ESTABLISHED:** 2009 in Las Vegas, NV.
- **LOCATIONS:** Headquartered in Las Vegas NV, Asset Impact also has satellite offices in Highland CA, India, Fiji and Vancouver, BC, Canada.
- **MANAGEMENT:** Asset Impact is a privately held corporation. Our management team is comprised of elite industry professionals who recognized that tactical advancements in both recovery and demolition practices have not yet been embraced by many/most existing providers. Asset Impact seeks to deliver impactful results merging 'old school' customer service with forward-thinking, market-generating and market-shaping practices.
- **INDUSTRIES:** Asset Impact purchases and sells a wide spectrum of both used and unused assets in a multitude of industries ranging from: power generation, paper, manufacturing, heavy industrial, commercial distribution centers, transportation, mining, retail, agriculture, marine and many other industries.

- **REAL PROPERTY:** Many Asset Impact acquisitions involve the purchase of real estate, full facilities, leasehold takeovers and/or other property divestment options.

- **NON-AUCTION SALES:** Asset Impact has established a proprietary system of sales that includes:

- Negotiated on-site selling
- Laser targeted sales private campaigns
- Public sales and marketing efforts
- International marketing
- Internet listings and sales
- Public or invitation only auctions

- **AUCTIONS:** Asset Impact allows auctions to be established with or without minimum reserve bids. Unreserved Auctions mean no reserve prices and no minimum bid. Additionally, owners are strictly forbidden to bid on their own items.

- **SERVICES:** Asset Impact offers a full range of services that are ultimately determined by our clients and include:

- Plant Liquidation, Facilities Liquidation, Power Plant Shutdowns Demolition Projects: Industrial and Selective
- Remodeling and Closing of Warehouses
